Why Must I Cry

Peter Tosh

Why must I cry these tears from mine eyes?
Why must I cry these tears from mine eyes?
Making believe you love me only(Just to love)
Whoa, was my great sin
(Just to love)
Whoa, was my great sin
(Just to love)
Whoa, was my great sin
(Just to love)
WhoaBut I will never fall in love again
'Cause only my heart feels the pain
Feels the painWhy must I trod this lonely, lonely road?
Why must I carry this heavy, heavy load?
Making believe you love me only(Just to love)
Whoa, was my great sin
(Just to love)
Whoa, was my great sin
(Just to love)
Whoa, was my great sin
(Just to love)
Hmm, it's my great sinI'll never fall in love again
'Cause only my heart feels the pain
Feels the pain, sad painI will never fall in love again
'Cause only my heart feels the pain
Feels the painWhy must I cry these tears from mine eyes?
Why must I cry these tears from mine eyes?Why must I trod this lonely, lonely, lonely road?
Why must I carry this heavy, heavy, heavy load?Why must I cry these tears from mine eyes?
Why must I cry these tears from mine eyes?
