

# Inside Of Me

## 3 Doors Down

Always waiting for something  
Searching for one thing  
And I know it has to be there somewhere  
On this show without knowing  
The way this is going  
As long as it takes me anywhere There's life and there's one dance  
There's fate and there's one chance  
To find out who I wanna be  
And I know it's inside of me I look to the far side  
Searching for daylight  
Something that is mine, all my own  
But loving in hindsight  
That won't work for my life  
Let me forget all that went wrong There's life and there's one dance  
There's fate and there's one chance  
To find out who I wanna be  
And I know it's inside of me  
There's love in so much more  
That waits behind that door  
There's so much that I wanna see  
And I know it's inside of me Woah, woah, woah, woah  
Woah, woah, woah, woah  
Woah, woah, woah, woah Woah, woah, woah, woah  
Woah, woah, woah, woah  
Woah, woah, woah, woah There's life and there's one dance  
There's fate and there's one chance  
To find out who I wanna be  
And I know it's inside of me  
There's love in so much more  
That waits behind that door  
There's so much that I wanna see  
And I know it's inside of me It's inside of me  
Oh, it's inside of me  
Oh, woah
