Goodbye Horses

Q Lazzarus

Hoo, hoo-hoo, hoo-hooHe told me, I seen you rise
But, it always falls
I see him come, I see him goHe says, "All things pass, into the night"
And I say, "Oh no sir, I must say, you're wrong
I must disagree, oh no sir, I must say, you're wrong"
A won't you listen to meHe told me, I've seen it all before
I've been there
I've seen my hopes and dreams a-lying on the groundI've seen the sky just begin to fall
He says, "All things pass, into the night"
And I say, "Oh no sir, I must say. you're wrong
I must disagree, oh no sir, I must say. you're wrong"
Won't you listen to me?Goodbye horses
I'm flying over you
Goodbye horses
I'm flying over youGoodbye horses
I'm flying over you
Goodbye horses
I'm flying, flying, flying over you!
