

# Love on the Run

## Sweet California

y comenta.

I'm dangerously close, close to the edge It's evident we've both, both lost our heads  
But i don't wanna slow down  
It feels like it's love on the run Have you ever felt a heart like this  
In the fast lane with your foot held down?  
No i never felt a rush so quick  
Like an Earthquaka underneath the ground You know what?  
Don't care what anyone says  
Yeah, we are just like two rebels that head for the stars  
And no one else has the keys to our hearts, hearts, hearts  
I'm dangerously close, close to the edge  
It's evident we've both, both lost our heads  
But i don't wanna slow down  
It feels like it's love on the run I'm dangerously close, close to the edge  
It's evidence we've both, both lost our heads  
But i don't wanna slow down it  
Feels like it's love on the run  
It's deadly when we kiss all through the night  
But i got a feeling we'll be alright  
And i don't wanna slow down  
It feels like it's love on the run Have you ever feel a touch so strong  
That the whole world faded out of sight?  
And you're messed up but youre holding on  
And you know you're in it for the ride You know what?  
Don't care what anyone says  
Yeah, we are just like two rebels that head for the stars  
And no one els has the keys to our hearts, hearts, hearts It's I'm dangerously close, close to the edge  
It's evident we've both, both lost our heads  
But i don't wanna slow down  
It feels like it's love on the run  
It's deadly when we kiss all through the night  
But i got a feeling we'll be alright  
And i don't wanna slow down  
It feels like it's love on the run
