

Holly Leaves And Christmas Trees

[Elvis Presley](#)

Somewhere in, in the distant night
I hear Christmas bells
The gentle snow keeps falling down on people
Who are homeward bound That's the it's always been
The circle never really ends
Christmas seems to come and go
Home's a the place that I don't know Holly leaves and Christmas trees
It's that time of year
Lights aglow and mistletoe
Don't mean a thing when you're not here As I walk, walk this lonely street
The sound of snow beneath my feet
I'll think of how, of how it used to be
Holly leaves and Christmas trees
Use to mean, so much to me
