

# Billy Ocean (feat. Fat Joe & Raekwon)

## DJ Khaled

[Intro]

DJ Khaled! [Chorus: Fat Joe]

From the mud to the marble floors, minks galore  
Hustlin' on the corners, now we own the stores  
Fuck a million dollars, boy, I need a billi' for sure  
Ch-ch-ch-cheer tuckin' Billy Ocean, Billy Ocean  
More Billy's, more problems

We got too many ways to solve 'em  
My life is like a movie that made the Oscars  
Turn a key into a billion dollars (yeah, uh)  
Billy Ocean, Billy Ocean [Verse 1: Fat Joe]

I got my car back, I'm John Wick  
The sky blue tint come equipped with the convicts  
The don's slick

Some Billys we gon' get  
Broke a leg in my debut, no Bogut (crack get 'em, uh)  
Talkin' sports trades with bet guys  
While sides cheat on their husbands  
Those be the best vibes  
Satin grain on the hood of the car

Switch lanes, yeah I used to flood the hood with them jars

You can get a taste for a flat out key  
Cause now-a-days I'm Klay, see my spot up 3  
Draped in Hermes scarves, crusing the Riviera  
More solid than gold bars, the Billy era [Chorus: Fat Joe]

From the mud to the marble floors, minks galore  
Hustlin' on the corners, now we own the stores  
Fuck a million dollars, boy, I need a billi' for sure  
Ch-ch-ch-cheer tuckin' Billy Ocean, Billy Ocean  
More Billy's, more problems

We got too many ways to solve 'em  
My life is like a movie that made the Oscars  
Turn a key into a billion dollars (yeah, uh)  
Billy Ocean, Billy Ocean [Verse 2: Raekwon]  
Hermes sweatsuits and S-Coupes  
Fly around, NBA money, in jets too  
Back of the bag's all crunched out, we vexed too  
Shoulda been Billys in '92, line who?  
The shine's new

Yeah it's sorta like a mafia movie  
Sit back Rocky 'n' groovie in the '92  
Silk pieces in Velez's sneakers  
A duffle bag with handcuffs on it, we creatures  
Ayo, runnin' every strip club, lit love  
Yeah we sit around and just drip bub'  
The homies get piff love, to all the realest ones and rich thugs  
One, my hundred niggas  
Billy with gun on niggas[Chorus: Fat Joe]  
From the mud to the marble floors, minks galore  
Hustlin' on the corners, now we own the stores  
Fuck a million dollars, boy, I need a billi' for sure  
Ch-ch-ch-cheer tuckin' Billy Ocean, Billy Ocean  
More Billy's, more problems  
We got too many ways to solve 'em  
My life is like a movie that made the Oscars  
Turn a key into a billion dollars (yeah, uh)  
Billy Ocean, Billy Ocean
