Wolves

Selena Gomez

In your eyes there's a heavy blue
One to love, and one to lose
Sweet divide, a heavy truth
Water or wineDon't make me choose
I wanna feel the way that we did that summer night, nightDrunk on a feeling
Alone with the stars in the sky
I've been running through the jungle
I've been running with the wolves
To get to you, to get to you
I've been down the darkest alleys
Saw the dark side of the moon
To get to you, to get to you
I've looked for love in every stranger
Took too much to ease the anger
All for you, yeah all for you
I've been running through the jungle
I've been crying with the wolves
To get to youTo get to you, oh to get to you
(Oh to get to you)
(Oh to get to you)
Your fingertips trace my skinTo places I have never been
Blindly I am followingBreak down these walls
And come on in
I wanna feel the way that we did that summer night, night
Drunk on a feeling
Alone with the stars in the sky
I've been running through the jungle
I've been running with the wolves
To get to you, to get to you
I've been down the darkest alleys
Saw the dark side of the moon
To get to you, to get to you
I've looked for love in every stranger
Took too much to ease the anger
All for you, yeah all for youI've been running through the jungle
I've been crying with the wolves
To get to you
To get to you, oh to get to you
(Oh to get to you)

(Oh to get to you)
I've been running through the jungle
I've been running with the wolves
To get to you, to get to you
I've been down the darkest alleys
Saw the dark side of the moon
To get to you, to get to you
I've looked for love in every stranger
Took too much to ease the anger
All for you, yeah all for you
I've been running through the jungle
I've been crying with the wolves
To get to you
To get to you, oh to get to you
