

# Wolves

## Selena Gomez

In your eyes there's a heavy blue  
One to love, and one to lose  
Sweet divide, a heavy truth  
Water or wine Don't make me choose  
I wanna feel the way that we did that summer night, night Drunk on a feeling  
Alone with the stars in the sky  
I've been running through the jungle  
I've been running with the wolves  
To get to you, to get to you  
I've been down the darkest alleys  
Saw the dark side of the moon  
To get to you, to get to you  
I've looked for love in every stranger  
Took too much to ease the anger  
All for you, yeah all for you  
I've been running through the jungle  
I've been crying with the wolves  
To get to you To get to you, oh to get to you  
(Oh to get to you)  
(Oh to get to you)  
Your fingertips trace my skin To places I have never been  
Blindly I am following Break down these walls  
And come on in  
I wanna feel the way that we did that summer night, night  
Drunk on a feeling  
Alone with the stars in the sky  
I've been running through the jungle  
I've been running with the wolves  
To get to you, to get to you  
I've been down the darkest alleys  
Saw the dark side of the moon  
To get to you, to get to you  
I've looked for love in every stranger  
Took too much to ease the anger  
All for you, yeah all for you I've been running through the jungle  
I've been crying with the wolves  
To get to you  
To get to you, oh to get to you  
(Oh to get to you)

(Oh to get to you)  
I've been running through the jungle  
I've been running with the wolves  
To get to you, to get to you  
I've been down the darkest alleys  
Saw the dark side of the moon  
To get to you, to get to you  
I've looked for love in every stranger  
Took too much to ease the anger  
All for you, yeah all for you  
I've been running through the jungle  
I've been crying with the wolves  
To get to you  
To get to you, oh to get to you
