

# Scream

## DJ Jazzy Jeff & The Fresh Prince

Yeah, yeah, hell, yeah  
Come on, so all you people on the left  
Are you ready to rock the house?  
People on the right, are you ready to rock the house?  
People up front are you ready to rock the house?  
Man in the back are you ready to rock the house? We'll say, Ho, ho  
Say, Ho ho, ho ho  
Say, Ho ho ho, ho ho ho  
Now scream  
Mic check, are you ready yet? We'll get set  
'Cause I'm about to jet like a corvette  
With the quickness snap it like a whip  
It's a sickness that's making my rhymes rip  
Peddle to the metal, 94 octane  
Flow like the rain and I aim to entertain  
Like it or not FP won't stop  
Because I'm the cream of the crop, so hot  
Up and down they go just watch them  
Up and down they go, jump, jump  
And as they go well, I'm a show  
Them that I can flow but homie should I stop though?  
Hell, no  
But no wait, until the end I  
Kick the volume pump the adrenaline I  
Watch the crowd sway, every time we play  
Each and every day, we make the crowd say  
Ho, ho  
Say, Ho ho, ho ho  
Say, Ho ho ho, ho ho ho  
Now scream  
Once again I'm in the house  
When I be rippin' it, the crowd be kickin' it  
This boy's bad with a pen and a pad  
Records selling like mad, people thought it was a fad  
'Cause back in the day some folks weren't with it  
What's this rap thing? They just ain't get it  
They didn't understand, they didn't quite see  
It's all about adrenaline, straight up energy  
So everybody say, Hey, hey  
So everybody say, Hey, hey  
I wanna rip it J, well, homier go ahead, man  
I wanna rip it J, well homie go ahead, yeah  
Yo a super dooper, party trooper  
Ever been a party pooper  
Heart breakin', money makin'  
Man, they get them parties shakin'  
Music pumpin', crowd is jumpin'  
Giving people what they want  
And always rhymin' all the time and check it  
Yo and now I wanted to make up a record that

I could just rock at the zap of the time  
I wanted to make it so funky that  
It would just stick in the back of your mind  
I wanted it simple so people could sing it  
And dance while their bopping their heads So gimme the, gimme the, gimme the, gimme the, yeah  
That's the way I like it, yeah, let it go, yo  
The boys are all pro, so get on the floor right now  
And let me hear you say Ho ho  
Say, Ho ho, ho ho  
Say, Ho ho ho, ho ho ho  
Now scream Come on all the ladies in the house  
All the pretty young ladies in the house  
Well, let me hear you say, come on say  
Homeboys make some noise Let me hear you say, Yeah, yeah  
Say, Hell yeah, hell yeah  
Now scream For years they been tryin' to figure out how to stop the prince  
They say that, I'm conceited but I'm not its just confidence  
Rougher than an outlaw, quicker than the flash  
For records to movie to TV, I'm grabbing cash and I'm dashing The P R I N C E with the fresh on the front  
And I'm a give you what you want  
Step on stage and just rip it as I laugh  
Tear down the house leaving lookin' like back draft All night I'm on the flow on and I'm a go on  
On the stage in a rage, I'm a flow on  
You read the billboard then I'm sure that you know  
The riggidy riggidy rhymes are riggidy rhyme and climb to uno Yo, dont dont dont, Jeff, will we be taking out?  
No, no, no  
The only other crew that play the way that we play and all day  
Everyday, we play to make the crowd say Ho ho  
Say, Ho ho, ho ho  
Lemme hear you say, Ho ho ho, ho ho ho  
Now Scream Come on, say, Ho ho  
Come on, say, Ho ho, ho ho  
One more time say, Ho ho, ho ho  
Now scream It's hot y'all, you dont stop y'all  
I keep on till the break of dawn  
It's like a little boy blue blowing on his horn  
It's like a daylight dance marathon It's like a grasshopper hopping on the morning lawn  
And you know, it's got to be, you know, it's got to be  
You know, it's really, really, got to be  
Now you know, it's got to be on, yeah
