That's What I'll Be

KeAnthony

If I could be your live in
If I could be your take home to mom
If I could be your money for your rent
If I could be your car paymentIf I could be your time spent
If I could be your heart from your dad
If I could be your bedroom
(Ooh)
Then that's what I'll be, baby, that's what I'll beNow that I'm your company
Now that I'm your get no sleep
Now that I'm your soaking wet
Not that I'm the one you cant forgetNow that I'm your do it all
Now that I'm your alcohol
Now that I'm your feel good
Then that's what I'll be, baby, that's what I'll beI'll be your good times, your bad times
That's what I'll be, baby, that's what I'll be
Ohh, that's what I'll be, ohh, that's what I'll be
I'll be your good times, your bad times
That's what I'll be, baby, that's what I'll be
I'll be your good times, your bad timesIf I gotta be your heart break
If I gotta be the pill you take
If I gotta be your fussing and fighting
If I gotta be your wrong and your rightIf I gotta be your dead end
If I gotta be straight trifling
If I gotta be your head ache
If that's what it takes, then that's what I'll be
Baby, that's what I'll beI'll be your good times, your bad times
That's what I'll be, baby, that's what I'll be
Ohh, that's what I'll be, ohh, that's what I'll be
I'll be your good times, your bad times
That's what I'll be, baby, that's what I'll be
I'll be your good times, your bad timesI know you might think I'm going crazy
But when it comes to you I'm willing to do almost anything
Just to prove to you that I'm a rider, a provider
And baby, that will never change, I'll be, baby, your everything, ohhLet me break it down, down
Tell you right now what I'm gonna be
I'ma be like a bank in a robbery
You can call me down and take from meYou can get away, come back in another week
Baby, you can keep robbing me
I'ma be the man, do what I can

To make sure that you got everything
I don't care, girl, I swear, ohh, I'll be your everythingDon't you get it?
This is what I'm talking about, babyThat's what I'll be, that's what I'll be, what I'll be
That's what I'll be, that's what I'll be, what I'll be
That's what I'll be, baby, that's what I'll beThat's what I'll be, baby, that's what I'll be
That's what I'll be, baby, that's what I'll be
That's what I'll be, baby, that's what I'll be
