

Don't Fade Away

Milla

Hello sunshine
Please don't fade away
See our genius
Warp what we created No no, don't fade away darling Stepping over
Shadows from your smile
Losing myself
In these waves of light No, don't fade away
No, don't fade away See them washing, hearts with teardrops
Bless these simple souls
Baby soldiers, marching onward
Watch their hopeless eyes No, don't fade away
No, don't fade away Oh my, am I high?
Is that a glow up in the sky?
Oh my, am I high?
Is that a glow up in the sky? Oh my, am I high?
Is that a glow up in the sky?
Oh my, am I high?
Is that a glow? Whitewashed liars, stupid teachers
Blinded are these broken dreamers
Little rulers
Who will teach them time? No, don't fade away, no no
No, don't fade away darling
No no no no, don't fade away
No, don't fade away darling Oh my, am I high?
Is that a glow up in the sky?
Oh my, am I high?
Is that a glow up in the sky? Oh my, am I high?
Is that a glow up in the sky?
Oh my, am I high?
Is that a glow up in the sky? Oh my, am I high?
Is that a glow up in the sky?
Oh my, am I high?
Is that a glow up in the sky?
