

# Just When I Thought It Was Ending

## Erasure

How was I to know you wouldn't show?  
I gave it all I could it wasn't good enough. And I do care  
For my life.  
And I do swear  
That I'll survive. Just when I thought it was ending,  
I could feel you,  
Just when I thought it was ending,  
I could feel you,  
It's just a matter of time,  
And only time  
will heal you,  
Just when I thought it was ending,  
I could feel you. Tell me can I feel you? It was meant to last and then it disappears,  
Just like a photograph of losing innocence. I did not mean  
To hurt you so.  
That was the last thing in my mind  
I'd ever do. Just when I thought it was ending,  
I could feel you.  
Just when I thought it was ending,  
I could feel you.  
It's just a matter of time,  
And only time  
will heal you.  
Just when I thought it was ending,  
I could feel you. How was I to know,  
You wouldn't show?  
How was I to know,  
You wouldn't show? Just when I thought it was ending,  
I could feel you.  
Just when I thought it was ending,  
I could feel you.  
It's just a matter of time,  
And only time  
will heal you.  
Just when I thought it was ending,  
I could feel you .
