

# Uncle ACE

## Blood Orange

[Verse 1] I've got a great idea  
Losing my sense of where  
Trading the silent ones  
I'm sure you know it's wrong  
Take it and keep it shut  
Unholy triptych of  
My sweet un-careful friends  
Waiting for April's men [Verse 2] Not like the other girls  
Go home and wait for me  
I'll be there after five  
The others got that V  
I'm everything you need  
Put all you need in me  
I don't need anything  
I don't need anything [Bridge] Does this feel easy 'cuz it's all you get from me  
Do you have reason to think I'm just what you need  
I won't complain if you don't tell me what you see  
Does this feel easy 'cuz it's all you get from me
