

The Shape Of Things To Come

Alphaville

You should hear the warning if you read the signs
Play with your own life but don't play with mine You're living your way, I'm living mine
May be tomorrow we will collide If you knew the action, you see us so blind
Play with your own life but don't play with mine The shape of things to come
The shape of things to come
Welcome to the future Boyter, lewis, malcolm, ross/1991
