The Griswolds

Woke up with some Maybelline on my shoulder
This gal sleeping next to me, I don't know herThis always seems to happen when I try to relive memories,
Save me from myself can someone help me, someone intervene.Broken heart on mended knee, and never sober,
So I woke up with a beauty queen from ArizonaThis always seems to happen when I try to find a remedy
Save me from myself can someone help me, someone intervene.Can someone call the priest to rescue me and take me home, can someone take me home?
I can't seem to find no peace when I lay sleep alone, so I don't sleep alone.I don't wanna give this up, can't give this up this easy, cuz girl I need it.
And I, don't wanna give this up, can't give this up this easy, cuz girl I need it.Cocaine to an empty vein, so I'm not able
I woke up to an empty glass on my tableThis always tends to happen when I become my worst enemy
Save me from myself can someone help me, someone intervene.Can someone call the priest to rescue me and take me home, can someone take me home?
I can't seem to find no peace when I lay sleep alone, so I don't sleep aloneI don't wanna give this up, can't give this up this easy, cuz girl I need it.
And I, don't wanna give this up, can't give this up this easy, cuz girl I need it.You always idolized the fairytale despite what I have told ya
So I'm always terrified every time you say that we need to be closer
And in the lonely nights, when I try to find someone to tide me over
That's when I realize, I should have quit the day she said that it was over,
But it's not over!And I, don't wanna give this up, can't give this up this easy, cuz girl I need it, girl I need it
And I don't wanna give this up can't give this up this easy, cuz girl I need it,
And I don't wanna give this up can't give this up this easy, cuz girl I need it
And I don't wanna give this up can't give this up this easy, (it's not this easy)
cuz girl I need it (you know I need it, girl I need it)(Cuz girl I need it, girl I need it
Cuz girl I need it)
