

# She (Robin Hannibal (Rhye) Remix)

[Laura Mvula](#)

She walked to watch you with the head down low  
She wondered if there's a way out of the blue  
Who's gonna take her home this time  
She knew that this time wouldn't be the last time There she waits looking for a savior,  
Someone to save her from her dying self  
Always taking ten steps back and one step forward,  
She's tired, but she don't stop (Oh oh oh)  
She don't stop, she don't stop, she don't stop  
She don't stop, she don't stop, she don't stop Every day she stood, hoping for a new light  
She closed her eyes and she had a smile voice say  
You don't stop, no, you belong to me  
She cried, maybe it's too late (Don't stop, don't stop, don't stop, don't stop)  
She don't stop, she don't stop, she don't stop  
She don't stop, she don't stop, she don't stop (Don't stop, don't stop, don't stop, don't stop) She walked to watch  
you with the head down low  
She wondered if there's a way out of the blue  
Who's gonna take her home this time  
She knew that this time wouldn't be the last time
