

That's Not Her Style

[Billy Joel](#)

Some people think that she's one of those mink-coated ladies
They say she wakes up at one
And makes the paparazzi run till dawn
She wines and dines with Argentines and Kuwaitis
After she sips margaritas on the White House lawnCHORUS
That's not her style I can tell you
That ain't my woman
It's just not her style I can tell you
Because I'm her manThe papers say she was seen in L.A. with a stranger
She found a perfect body with aa Maserati right outside
And then she chartered a Lear
When she heard her career was in danger
And she gave the pilot somethin' extra for a perfect rideCHORUSNot that she's never done something crazy or
done something wild
It's just that she's better at doing whatever suits her style
And that's not her styleI've read where it's said that she sleeps in a bed made of satin
She's had her face done in every place you can try
They say she gets a piece of every lease in Manhattan
And says she's thirty when she's really pushing forty-fiveCHORUS
