

Have Yourself a Merry Little Christmas

[Toni Braxton](#)

Have yourself a merry little Christmas

Let your heart be light

From now on, our troubles will be out of sight

Have yourself a merry little Christmas

Make the Yuletide gay

From now on, our troubles will be miles away

Here we are as in olden days

Happy golden days of yore

Faithful friends who are dear to us

Gather near to us once more

Through the years we all will be together

If the fates allow

So hang a shining star upon the highest bough (oh yeah baby, ooh baby)

So have yourself a merry little Christmas now So hang a shining star upon the highest bough (ooh baby)

So have yourself a merry little Christmas now

Oh have yourself a merry little holiday baby, only

Have yourself baby a merry little Christmas right now

Have yourself a merry little Christmas now
