So Yesterday

Hilary Duff

You can change your life (if you wanna)

You can change your clothes (if you wanna)

If you change your mind

Well that's the way it goes

But I am gonna keep your jeans

And your old black hat ('Cause I wanna)

They look good on me

You're never gonna get them back

At least not today,

Not today, not today, 'causeIf it's over let it go, and,

Come tomorrow it will seem so yesterday

So yesterday

I'm just a bird that's already flown away

Laugh it off

And let it go and

When you wake up

It will seem so yesterday

So yesterday

Haven't you heard that I'm gonna be ok?Ha!

Ok.

You can say you're bored (if you wanna)

You can act real tough (if you wanna)

You can say you're torn

But I've heard enough, thank you

You made my mind up for me

When you started to ignore me

Can you see a single tear?

It isn't gonna happen here.

At least not today,

Not today, not today, 'causeIf it's over let it go, and,

Come tomorrow it will seem so yesterday

So yesterday

I'm just a bird that's already flown away

Laugh it off

And let it go and

When you wake up

It will seem so yesterday

So yesterday

Haven't you heard that I'm gonna be ok?If you're over me, I'm already over you

If it's all been done, what is left to do? How can you hang up if the line is dead? If you want to walk, I'm a step ahead If you're moving on, I'm already gone If the light is off then it isn't on

At least not today

Not today, not today, 'causeIf it's over, let it go and Come tomorrow, it will seem so yesterday

So yesterday

I'm just a bird that's already flown away

Laugh it off

And let it go and

When you wake up

It will seem so yesterday

So yesterday

Haven't you heardIf it's over let it go and

Come tomorrow, it will seem so yesterday

So yesterday

I'm just a bird that's already flown away

Laugh it off

And let it go and

When you wake up

It will seem so yesterday

So yesterday

Haven't you heard that I'm gonna be ok?
