Halloween (she Get So Mean)

Rob Zombie

Aw! Pack the moon with coffin, eyes so crazy for the dead
she go-go in the devils house with a satan on the bed
Freak on her like a maniac yeah go baby, go
A Psycho-path and a poor white trash is all she'll ever know
HALLOWEEN! HALLOWEEN!
That's When She Gets SO Mean!
HALLOWEEN! HALLOWEEN!
Come on baby Scream!
Aw! Stop the wisk, came a sugarhill and make your motor run
A Sideshow last said "I'm under a freaks, your babys got a gun"
Sadonna kids have a fixter ball (???), You're grinin for the dead.
The rats are comin to a run away, and Side you hand to head.

HALLOWEEN! HALLOWEEN!
That's When She Gets SO Mean!
HALLOWEEN! HALLOWEEN!
Come on baby Scream!
Pack the moon with coffin, eyes so crazy for the dead
she go-go in the devils house with Satan on the bed
Freak on her like a maniac yeah go baby, go
A Psycho-path and a poor white trash is all she'll ever know
HALLOWEEN HALLOWEEN!
That's When She Gets So Mean!
HALLOWEEN! HALLOWEEN!
Come On Baby Scream!
