

Gonna Make My Own Money

Deap Vally

You say marry a rich man
Find a rich one if you can
Daddy, don't you understand
I'm gonna make my own money
Gonna buy my own land You say marry a rich man
Find a rich one if you can
But, daddy, don't you understand
I'm gonna make my own money
Gonna buy my own land Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah You say marry a rich man
Find a rich one if you can
But, daddy, don't you understand
I'm gonna make my own money
Gonna buy my own land You say marry a rich man
Find a rich one if you can
But, daddy, don't you understand
I'm gonna make my own money
Gonna buy my own land You say marry a rich man
Find a rich one if you can
But, daddy, don't you understand
I'm gonna make my own money
I'm gonna buy my own land
