

# American Metalhead (Painmuseum Cover)

Sebastian Bach

Brothers in one, ageless at heart  
Shoulder to shoulder, we'll never die  
Legions tonight, hell born and dark  
Souls are alive as time marches onGlorious might, sons of the Gods  
Tyrants of loud, Our hearts? Red and black  
We breathe in terror, and breathe out the light  
Live to survive, we are one tonightWe live we die we kill we rise  
American MetalheadBurn through the night wolves are a pack  
Forgotten sons and daughters alike  
Lords of forever left stealin' from God  
One live to live, we are taking it now  
Evil bows tonight  
Rise up!
