

Vicious Games (Markus Gardeweg Edit)

Yello & Hardfloor

I never knew
How much I loved you
I never knew
How much I cared
So I played Vicious Games, Vicious Games
With different names, different names
Vicious Games, Vicious Games
With different names, different names I was afraid
To go under
Afraid to see
When I closed my eyes
Vicious Games, Vicious Games
With different names, different names
Vicious Games, Vicious Games
With different names, different names I never knew
How much I loved you
I never knew
How much I care
I just played Vicious Games, Vicious Games
With different names, different names
Vicious Games, Vicious Games
With different names, different names Now that you're gone
And you have left me
I had to learn
I had to learn how much it hurts
To play those Vicious Games
Vicious Games, Vicious Games
Different names, different names
Vicious Games, Vicious Games
Different names, different names Vicious Games, Vicious Games
Different names, different names
Vicious Games, Vicious Games
Different names, different names
