

# Trifling

## Rico Love

I guess we both on that bullshit, I guess we both on that bullshit  
Turn the lights on  
Oops, I almost told your boyfriend that I love you, I'm just playing  
Oops, I almost grabbed your hand last time I saw you  
Cause I even know your nigga like that, you be with some girls who know my girl but that's all though  
Call hang up, and you hit me right back, that's that bullshit, we both on bullshit  
We should get a room  
somewhere  
Where there's just me and you somewhere, pick and choose somewhere  
So much we can do somewhere  
We both got so much to lose somewhere, ocean views somewhere  
Crazy how it turns to something  
Knowing that we dead wrong  
Especially, when we act like nothing happen  
Put our clothes back on and head home, damn  
Oops, I almost told your boyfriend that I love you, I'm just playing  
Oops, I almost grabbed your hand last time I saw you  
Cause I even know your nigga like that, you be with some girls who know my girl but that's all though  
Call hang up, and you hit me right back, that's that bullshit, we both on bullshit  
You can rub my back somewhere  
I'll be grabbing on your ass somewhere, acting bad somewhere  
A whole lot of cash somewhere  
We'll be tearing up the ave somewhere, shopping bags somewhere  
Crazy how it turns to something  
Knowing that we dead wrong  
Especially, when we act like nothing happen  
Put our clothes back on and head home, damn  
Oops, I almost told your boyfriend that I love you, I'm just playing  
Oops, I almost grabbed your hand last time I saw you  
Cause I even know your nigga like that, you be with some girls who know my girl but that's all though  
Call hang up, and you hit me right back, that's that bullshit, we both on bullshit  
I know I know I know, I'm so trifling  
I know I know I know, I'm so trifling  
I guess we both on that bullshit  
I guess we both on that bullshit  
Oops, I almost told your boyfriend that I love you, I'm just playing  
Oops, I almost grabbed your hand last time I saw you  
Cause I even know your nigga like that, you be with some girls who know my girl but that's all though  
Call hang up, and you hit me right back, that's that bullshit, we both on bullshit
