

# Hello - Turn Your Radio On

## Shakespear's Sister

Woke up this morning and the streets were full of cars  
All bright and shiny like they'd just arrived from Mars  
And as I stumbled through last nights drunken debris  
The paperboy screamed out the headlines in the street  
Another war and now the pound is looking weak  
And tell me have you read about the latest freak?  
We're bingo numbers and our names are obsolete  
Why do I feel bitter when I should be feeling sweet?  
Hello, hello, turn your radio on  
Is there anybody out there?  
Help me sing my song  
La, la, la, life is a strange thing  
Just when you think you learned how to use it  
It's gone  
Woke up this morning and my head was in a daze  
A brave new world had dawned upon the human race  
Where words are meaningless and everything's surreal  
Gonna have to reach my friends to find out how I feel  
And if I taste the honey, is it really sweet?  
And do I eat it with my hands or with my feet?  
Does anybody really listen when I speak?  
Or will I have to say it all again next week?  
Hello, hello, turn your radio on  
Is there anybody out there?  
Help me sing my song  
Hello, hello, turn your radio on  
Is there anybody out there?  
Tell me what went wrong  
Oh, oh, oh oh  
La, la, la, life is a strange thing  
Life is a strange thing  
Hello, hello, turn your radio on  
Is there anybody out there?  
Help me sing my song  
Oh, oh, oh, oh  
La, la, la, life is a strange thing  
Just when you think you learned how to use it  
It's gone
