

Something In the Air

Tom Petty & The Heartbreakers

Call the instigator
Because there's something in the air
We've got to get together sooner or later
Because the revolution's hereAnd you know it's right
And you know that it's right
We have got to get it together
We have got to get it together nowRun through the fields and houses
Because there's something in the air
We've got to get together sooner or later
Because the revolution's hereAnd you know it's right
And you know that it's right
We have got to get it together
We have got to get it together nowCall out the instigator
Because there's something in the air
We've got to get together sooner or later
Because the revolution's hereAnd you know it's right
And you know that it's right
We have got to get it together
We have got to get it together now
