

Is It the Beat? (Juan Magan Remix)

Selena

That sounds close I know that you've taken my lead
Am I so easy to read
My eyes must be speaking your name
My touch must burn like the flame
I believe
That love doesn't come when you plan
Here I am
Caught up with these feelings I don't understand Is it the beat or the beat of your heart
Is it the music or is the body talk
How did you move me and when did it start
Is it the beat or the beat of your heart That sounds close Night falls and I seem to change
Near you, I'm acting so strange
I know we've only just met
But dreaming has gone through my head
You and I see nobody else in the place
Met your smile
Answer this question, don't read on my fate Is it the beat or the beat of your heart
Is it the music or is the body talk
How did you move me and when did it start
Is it the beat or the beat of your heart Sabes que te quiero y sin ti me desespero
Eres tu mi todo y yo sin ti me muero
Eres mi alegria en cada despertar
Yo quiero a tu lado yo poder estar Is it the beat or the beat of your heart
Is it the music or is the body talk
How did you move me and when did it start
Is it the beat or the beat of your heart Is it the beat or the beat of your heart
Is it the music or is the body talk
How did you move me and when did it start
Is it the beat or the beat of your heart Is the beat of your heart
Is the beat of your heart
Is it the music or is the body talk
Is it the music or is the body talk
Is it the music or is the body talk
Is it the music or is the body talk
