

Get It Shawty (Ft. Yung Joc) (Dirty)

Lloyd

I can't sit back and let this moment slip away (away)
'Cause I got my eye on you (you)
I see ya lookin' over ya shoulder, let me make my way over
Excuse me, miss lady, how ya doin'
Your body lookin' right you're type I like and, I'm pursuin'
So can I get a little closer
So I can get to know you and exchange names and thangs
Before the night is over? All I really want is
For you to back it up gon' and put your weight on it
'Cause it's alright do what you wanna
Make me believe ya oh, I wanna see ya Get it shawty, get it shawty, get it shawty (get it shawty)
G-g-g-g-get it shawty, get it shawty, get it shawty (get it shawty) I can't sit back and let the night just drift away
So, baby, whatcha gon' do? (do?)
'Cause I don't wanna lose it come on, keep it movin'
Excuse me, miss lady, how ya doin'?
Your body lookin' right you're the type I like and, I'm pursuin'
Can I get a little closer
So I can get to know you and exchange names and thangs
Before the night is over? All I really want is
For you to back it up gon' and put your weight on it
'Cause it's alright do what you wanna
Make me believe ya ooh, I wanna see ya Get it shawty, get it shawty, get it shawty (get it shawty)
G-g-g-g-get it shawty, get it shawty, get it shawty (get it shawty) Jeans tight, high heels this is how you make me
feel
Lips glossed, teeth white apple bottoms, let me bite
Spend the night catch a flight
We can do what-what you like
Feeling right, ya smellin' good
Let get this understood
Is there something you're not telling me
Are you the daughter of Frankie Beverly?
It's the way you move the way you groove
I'm a fan, and you're the celebrity
She doin' freaky stuff
Shawty got me geeked up
Like Fabo I got Play-doh
Let me show you street love, ow! All I really want is
For you to back it up gon' and put your weight on it
'Cause it's alright do what you wanna

Make me believe ya ooh, I wanna see ya
Get it shawty, get it shawty, get it shawty (get it shawty)
G-g-g-g-get it shawty, get it shawty, get it shawty (get it shawty)
