Destination Unknown (Reprise)

Marietta

I see life and it's passin' right before my eyes
And the past is the past don't regret it, time to realize
I need to walk on the wire just to catch my breath,
I don't know how or where but I'm goin' it's all that I have leftIt don't matter where it takes me
Long as I can keep this feeling runnin' through, my soulNever took this road before -- destination unknown
Oh oh oh ohohoh -- destination unknown
Won't be coming back this way gotta go it alone
Oh oh oh ohohoh -- destination unknownSee a chance gotta take it wanna meet my fate
'Cause the last thing I ever wanted was to find out it's too late
No way out when you're in it deeper than the night
There's a light at the end of the tunnel and I see it burning brightIt don't matter where it takes me
Long as I can keep this feeling soarin' through, my soulNever took this road before -- destination unknown
Oh oh oh ohohoh -- destination unknown
Won't be comin' back this way gotta go it alone
Oh oh oh ohohoh -- destination unknown
