Shelter

Lone Justice

Well alright, you gave it all up for a dream
Fate proved unkind, to lock the door and leave no key
You're unsure, well baby I'm scared too
When the world crushes youLet me be your shelter, shelter
From a storm outside
Let me be your shelter, shelter
From the endless nightDisillusion has an edge so sharp
It tears at your soul and leaves a stain upon your heart
I need you, to wash mine clean
You've felt it too, and you need meLet me be your shelter, shelter
From a storm outside
Let me be your shelter, shelter
From the endless nightYou're struggle with darkness has left you blind
I'll light the fire in your eyesYou're struggle with darkness has left you blind
I'll light the fire in your eyesLet me be your shelter, shelter
From a storm outside
Let me be your shelter, shelter
From the endless nightLet me be your shelter, shelter
Let me be your shelter, shelter
Let me be your shelter, shelter
Let me be your shelter, shelterLet me be your shelter, shelter
Let me be your shelter, shelter
Let me be your shelter, shelter
Shelter, shelter, shelter, shelter
Shelter, shelter, shelter, shelter
Shelter, shelter, shelter, shelter
