

My Place Is Here

[Andru Donalds](#)

(Music: Donalds, Cretu, Gad - Lyrics: Donalds, Cretu) Turn around, I see no familiar face
I know, in my life I've seen every culture, every race
Many a day, I got a lot to say for all that I trust
I think think were should I adjust Where shall I go, I know my place is here
What shall I do, I feel my place is here Travelled many oceans, travelled the land too see
So many emotions, you would not believe
But can everybody go home
In my mind, in my heart, in my soul Where shall I go, I know my place is here
What shall I do, I feel my place is here Living out my fantasies, living for my dreams
For all the money in this world, I felt the need
I'm missing the smell of home
Understand when it's all said an done
My place is here, Gimme my yard, gimme my home
Gimme my yard, gimme my home Where shall I go, I know my place is here
What shall I do, I feel my place is here
I beleive in love, I beleive in home, I beleive in God Where shall I go, I know my place is here
What shall I do, I feel my place is here
Gimme my yard, gimme my home
Gimme my yard, gimme my home
