Sign (feat. The K Group) [Live]

Peter Hammill

Wrong drink to order
Suspicion grows, wrong situation
Oh, no one knows where
You've gone to in the pagan nightAnd the neon reflections spread cadmium white
You came here looking for something
But this wasn't it quite
Hey, take a Polaroid, exit and, well, you mightSign the picture, get out of the frame
Sign the picture and throw it away
Sign the picture, sign the picture
Throw the picture away
(Sign the picture, sign the picture)Sign the picture
Sign the picture
Sign the picture
Now she turns her attention
And her camera on you
(Sign the picture)
This could be all of the moments
That you'll ever live through
(Sign the picture)Oh, but your heart beats
The rhythm of primeval tattoo
(Sign the picture)
I hear you make your excuses
As you usually do
(Sign the picture)Sign the picture, get out of the frame
Sign the picture and throw it away
Sign the picture, sign the picture
Throw the picture away
(Sign the picture, sign the picture)
Sign
Sign the picture
Sign the picture
Sign the pictureSign the picture
And throw it away
Sign the picture
And throw it awaySign the picture, get out of the frame
Sign the picture and throw it away
Sign the picture, sign the picture
Throw the picture awayAlthough it's going to come back
You've got a certain knack

Of making of such things
Auspicious signs, auspicious signs
