

Til My Last Day

Justin Moore

People say I'm just a rough boy
I ain't no good for you, girl
It's a dead end street try'in love me
Yeah I'll wreck your world
I can see why they're all talkin'
lookin' back at my past
I've got a bad name but a man can change
I'm living proof of that
'Til my last day 'til my last breath
of everyone that can
I can love you the best
"Til my last day, I'll be loving you
All the way up 'til they lay me down
6 feet under the cold hard ground
'til my last day
I'll be loving you
Baby I might meet all my friends
Shoot the bull, have a beer or two
But you know I'll be the first one to leave
in a hurry to get to you
But somewhere deep inside your angel eyes
i found a place to rest

Don't ever doubt that I'll be around
and baby don't you ever forget
'Til my last day 'til my last breath
of everyone that can
I can love you the best
"Til my last day, I'll be loving you
All the way up 'til they lay me down
6 feet under the cold hard ground
'til my last day
I'll be loving you
Darlin' yes I will!
(guitar solo)
'Til my last day 'til my last breath
of everyone that can
I can love you the best
"Til my last day, I'll be loving you

All the way up 'til they lay me down
6 feet under the cold hard ground
'til my last day
I'll be loving you
Oh babe, 'til my last day
