

# New Day

Kieran Goss

There's nothing like the sound of laughter  
There's nothing like a smile  
And anything you see hereafter  
Is it worth the while?  
I know that you don't believe me  
I know that you doubt  
The stone that's in your heart will melt  
There's nothing like the way you hold her  
There's nothing like a home  
And though you feel a little colder  
You're not alone  
I know that you don't believe me  
I know that you doubt  
The stone that's in your heart will melt  
And watch the morning come  
A new day will come  
A new day will come for me and for you  
A new day will come  
I know cos I've been there before  
I know just how it feel to lose  
And for every closing door  
There's another one to choose  
There's nothing like the hand of kindness  
There's nothing like a friend  
And even though the world will blind us  
It's there in the end  
I know that you don't believe me  
I know that you doubt  
The stone that's in your heart will melt  
And watch the morning come
