

# Too Young to Know

## Muddy Waters

Hey, I ain't lyin'  
I got it bad, boys.  
My mind is runnin' down.  
I'm gonna pack my suitcase  
And cut on out of this town. Two little girls said  
"Let him leave."  
Four girls said  
"Y'all is to young to know."  
"Well you know I'm so deep in love with this man  
I just can't stand to see him go." Well you know my suitcase is packed  
And my trunk's already gone.  
And you know 'bout that,  
I ain't gonna be here long. Two little girls said  
"Let him leave."  
Four girls said  
"Y'all is to young to know."  
"Well you know I'm so deep in love with this man  
I just can't stand to see him go." Well, I ain't goin' nowhere. (Solo) Yeah, you know that ain't nothin'  
For you people to be laughin' about.  
I once had a good good setting  
But now I got busted out. Two little girls said  
"Let him leave."  
Four girls said  
"Y'all is to young to know."  
"Well you know I'm so deep in love with this man  
I just can't stand to see him go."

I ain't goin' nowhere. Piano. (Solo) Yeah, you know my suitcase is packed.  
My trunk's already gone.  
You know 'bout that,  
I ain't gonna be here long. Two little girls said  
"Let him leave."  
Four girls said  
"Y'all is to young to know."  
"Well you know I'm so deep in love with this man  
I just can't stand to see him go."
