

Draw Your Swords (TEEMID Edit)

Angus & Julia Stone

See her come down, through the clouds
I feel like a fool
I ain't got nothing left to give
Nothing to lose So come on Love, draw your swords
Shoot me to the ground
You are mine, I am yours
Lets not fuck around Cause you are, the only one
Cause you are, the only one I see them snakes come through the ground
They choke me to the bone
They tie me to their wooden chair
Here are all my songs So come on Love, draw your swords
Shoot me to the ground
You are mine, I am yours
Lets not fuck around Cause you are, the only one
Cause you are, the only one The only Cause you are, the only one
Cause you are, the only one The only one
The only one
The only one
The only one So come on Love, draw your swords
Shoot me to the ground
You are mine, I am yours
Lets not fuck around The only
