## Tales Of Terror

I'm only 14  
My head's within the clutches of sin  
Got skulls on my wall  
I've got a goatskin rug  
I've got a possessed stereo  
With an earphone plug  
I put the phones up on my head  
Get really stoned, freak out on my bed I listen to forbidden sound  
Which comes deep beneath the ground  
I Listen to forbidden song  
Which only I can sing along Voodoo dolls, crystal balls  
And all the answers to these things  
Lie in the song  
Magic spells, messages from hell  
All these things and more  
Playing on my possessed stereo  
But will I hurt I listen to forbidden sound  
Which comes deep beneath the ground  
I Listen to forbidden song  
Which only I can sing along
