

# Cold Sweat

James Brown

Come on  
Play it  
Play it on, baby I don't care alright, about your past, dig  
I just want hey, my love to last, come on  
I don't care hit the band about your faults, huh  
I just want hey, to satisfy your pulse, hey come on When you kiss me, oh me  
Make me understand, hey  
One more time  
I break out huh, in a cold sweat Hey, get down, down  
Get on down, get on down  
Come on down I don't care alright, about your wants  
I just wanna tell ya baby about the does and don'ts, huh  
I don't care about the way you treat me darlin' Uh hey, when you kiss me, yeah  
And ya miss me, hold me  
And make everything all right  
I break out in a cold sweat Hey  
Get down  
Come on  
Get it, get it, get it  
Baby, baby, baby  
Come on  
Do it, do it, do it, uh Go on home  
Come on, duh  
Get it, get it Come on
