Songbird

Vicci Martinez

Go on with your song bird, you can't go wrong bird You will go on and on bird, like you did before Though your wings are broken the sky is so wide open And the wind is waiting for you like an open door Though you go so far away, your voice will still be heard so well You'll never really ever know how beautiful you are When the moon is on the rise I'll try to make my songbird fly I wonder if he ever will and if he really did, how far Go on with your song bird, you can't go wrong bird You will go on and on bird, like you did before Though your wings are broken the sky is so wide open And the wind is waiting for you like an open door Though you go so far away, your voice will still be heard so well You'll never really ever know how beautiful you are When the moon is on the rise I'll try to make my songbird fly I wonder if he ever will and if he really did, how far Go on with your song, bird you can't go wrong bird You will go on and on, bird, through the open door Go on with your song bird, you can't go wrong my bird You will go on and on, bird, like you did before, like you did before
