

# Drivin' Fool

## Blackfoot

Yeah, come on, come on, come on  
Well, I'm a drivin' fool, got my foot on the gas  
Look out mister, I'm gonna pass  
Ninety miles an hour and I'm all alone  
The wind's in my face and I'm headed for home  
Up from the streets in the heat of the night  
Lookin' for a lover, ain't lookin' for no fight  
Don't want no trouble, cause any harm  
Just want a pretty girl hangin' on my arm  
Ain't no road too fast, ain't no road too slow  
Fill me up with the super, show me which way to go  
I'm a drivin' fool, drivin' fool  
Drivin' fool, drivin' fool  
Kickin' up the dirt and gravel  
Faster than you ever seen  
Harder than the road I travel  
This is a bitchin' machine  
I won't take no excuses  
Don't want to hear no phony lines  
Can't stand a useless muther  
Wastin' my precious time

Ain't no road too fast, ain't no road too slow  
fill me up with the super, show me which way to go  
I'm a drivin' fool, drivin' fool  
Drivin' fool, drivin' fool  
It's early in the morning and I left her bed  
Gimme more, gimme more is ringin' in my head  
The highway's callin' and I got to move  
I don't feel bad 'cause it happens to you  
I really don't know where I'm goin'  
This kind of life is tippin' the scale  
The marker on my dipstick says I'm cool  
Good-God almighty, I'm a drivin' fool  
Ain't no road too fast, ain't no road too slow  
Fill me up with the super, show me which way to go  
Drivin' fool, drivin' fool  
Drivin' fool, drivin' fool  
Drivin' fool, drivin' fool

Drivin' fool, drivin' fool
