White lines on your mind, keep it steady
You were never ready for the lies
White lines on your mind, keep it steady
You were never ready for the lies
You don't have no Doctor Robert
You don't have no Uncle Albert
You don't even have good credit
You can write but you can't edit
You don't have no Doctor Robert
You don't have no Uncle Albert
You don't even have good credit
You can write but you can't edit
Edit, edit, edit, edit, edit, edit, edit, edit, edit
White lines on your mind, keep it steady
You were never ready for the lies
You don't have no Doctor Robert
You don't have no Uncle Albert
You don't even have good credit
You can write but you can't edit

White lines on your mind, keep it steady
You were never ready for the
White lines on your mind, keep it steady
You were never ready for the
White lines on your mind, keep it steady
You were never ready for the lies, lies
You don't have no Doctor Robert
You don't have no Uncle Albert
You don't even have good credit
You can write but you can't edit
You don't have no Doctor Robert
You don't have no Uncle Albert
You don't even have good credit
You can write but you can't edit
