

# Baby's Coming Back To Me

Jarvis Cocker

Outside there's children laughing  
The radio plays my favorite song  
The sun is shining Oh, and peace broke out in the world  
And no one says a cruel word  
And peace is the sweetest sound I've ever heard And baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming home She was just sleeping somewhere  
Now she's come back to hold my hand  
And we go walking And the years have all melted away  
Yeah, I remember you like yesterday  
And the summer's here, so say goodbye to rain And baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming home I feel like I am surely dreaming  
How can things, oh, so quickly change?  
Well, it's strange but true I'm telling you truthfully see That baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming home Oh, baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming back to me  
My baby's coming home
