Empire Cast

Tell the truth
Tell the truth
Tell the truthEveryone has a closet

Watch out for lions and tigers and bears
It's bout to hit the fan, better bewareTell the truth
Tell the truth
Tell the truth
Tell the truthTell her why you lie for no reason
They point fingers and bite the hand that feeds them
Help em', Lord for they know not what they do
Swear to God they know better than youChorus:
One day the skeletons are gonna come out
One day the elephant in the room will make a sound
Watch out for lions and tigers and bears
It's bout to hit the fan, better bewareTell the truth
Tell the truth
Tell the truth
Tell the truthThe closest people to you, you can't trust
