Trippin'

Shareefa

Ya see, I have a little problem
Maybe you can help me out
There's a guy, I used to go out wit
We decided to go our own way
But the problem is I'm her problem now
Now we're friends and everything
And you keep callin' me to complain
About this new chick in ya life
And I know she's not ya type
The type that holds you and loves you
The way I pleased you
See I was ya first love, she don't deserve ya
Maybe this love is what, ya been missin'
I know ya girl's trippin'
Because I'm the one who, who deserves you
'Cause she can't love ya like I do
She can't love ya like I do
I know ya girl's trippin'
Because I'm the one who, who deserves you
'Cause she can't love ya like I do
She can't love ya like I do, yeah
I've seen a side of you that nobody has
My love for you is not in the past
I feel the same way that I felt about ya, baby
Never regret all the choices that we made
But I can't go on like this
She's hatin' me 'cause I'm in the middle
You better let her know what we had
Play your position tell ya girl to fall back
I know ya girl's trippin'
Because I'm the one who, who deserves you
'Cause she can't love ya like I do
She can't love ya like I do
I know ya girl's trippin'
Because I'm the one who, who deserves you
'Cause she can't love ya like I do
She can't love you, baby, she can't love you, baby
I know our love was special
And it's hard for ya girl to let it go

Now ya missin', my love and kisses
But ya gotta miss this
I know ya girl's trippin'
I know our love was special
And it's hard for ya girl to let it go
Now ya missin', my love and kisses
But ya gotta miss this
I know ya girl's trippin'
Because I'm the one who, who deserves you
'Cause she can't love ya like I do
She can't love ya like I do
I know ya girl's trippin'
Because I'm the one who, who deserves you
'Cause she can't love ya like I do
She can't love ya, baby, like I used to love you
I know ya girl's trippin'
Because I'm the one who, who deserves you
'Cause she can't love ya like I do
She can't love ya, baby
I know ya girl's trippin'
Because I'm the one who, who deserves you
'Cause she cant love ya like I do
No, no, no, no, no, no, no
