Prince Charming

Skins OST

Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?
Prince Charming
Oh yeah oh ah oh
Prince Charming
Rides a great white horse, not a Greyhound bus
He's a gentleman, not a hip-hop thug
See him in my dreams, hate when I wake up
Still holding on, people think I'm nuts but
But soon he'll come and call for me
And take me from reality
Prince Charming can you rescue me
Are you real?
Can you make me feel, feel unreal?
Prince Charming, I believe in you
Fairy tails can come true
So I will wait for you
Prince Charming
Oh yeah oh ah oh
Tell me how I'll know
Does he wear a crown?
Haven't found him yet
Must be out of town
Heart made of gold
Body like a rock
Likes to serenade
Maybe even smart
And I will wait with just one kiss
The poison soon right from my lips
Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?
Prince Charming, I believe in you
Fairy tails can come true
So I will wait for
Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?

Prince Charming, I believe in you
Fairy tails can come true
So I will wait for you
I will wait for you
Oh yeah oh ah oh
You
Oh yeah oh ah oh
You
Prince Charming
Oh yeah oh ah oh
Ooh ohh
Oh yeah oh ah oh
Can you rescue me, Prince Charming
Ooh, can you rescue me?
Ohh
Can you rescue, can you rescue, can you rescue me?
Can you rescue me, Prince Charming
Ooh, can you rescue me?
Ohh
Can you rescue, can you rescue, can you, can you, can you, can you?
Prince William, where you at, where you at?
Matt Damon, where you at, where you at?
Kobe Bry, where you at, where you at?
Romeo, say where you at, where you at?
Romeo, say where you at, where you at?
Leo DiCaprio, where you at, where you at?
Sisqo, where you at, where you at?
Romeo, say where you at, where you at?
Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?
Prince Charming I believe in you
Fairy tales can come true
So I will wait for you
Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?
Prince Charming I believe in you
Fairy tales can come true
So I will wait for you
Romeo, Romeo, where you at, where you at?
Romeo, Romeo, where you at, where you at?
Romeo, Romeo, where you go?
Prince Charming I believe in you
So I will wait for you

Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?
Prince Charming I believe in you
Fairy tales can come true
So I will wait for
Prince Charming can you rescue me?
Are you real?
Can you make me feel, feel unreal?
Prince Charming I believe in you
Fairy tales can come true
So I will wait for you
