

Love-O-Rama

Southern Culture On The Skids

Trains are leaving from the station

(Hop on board for Love-o-Rama)

Gopin' for that sweet sensation

(Hop on board for Love-o-Rama)

Brothers, sisters, all invited

(Love him, love her, Love-o-Rama)

All your love will be requited

(Love him, love her, Love-o-Rama)

CHORUS

You'll feel my love and then you'll know

You'll feel my love and then you'll know

You'll feel my love and then you'll know

You'll feel my love and then you'll know

Love-o-Rama, will it move me?

(Ain't no doubt about Love-o-Rama)

Is it liable to improve me?

(Ain't no doubt about Love-o-Rama)

In the moonlight, nothing fancy

(Love him, love her, Love-o-Rama)

Don't go pulling a Polanski

(Love him, love her, Love-o-Rama)

CHORUS

Get on up man, time is flying

(Love him, love her, Love-o-Rama)

Someone needs you, someone's crying

(Love him, love her, Love-o-Rama)

Final call for Love-o-Rama

Final call for Love-o-Rama
