Ooohoooh
(Konvicted)
(Konvicted)
Noo Nooo
Oooh No NoWait a minute just for a move like youre
Let me explain so we dont get confused
I dont want you to be taking it too far
Holl up in the streets sayin that youre my boo
Just cause we kick it dont read too much into it
I can`t do it like you do, so
So when youre out sayin we, Im too committed to me
Smoking like a real G
Im sayinI treat you like my only dude
But youre not my boyfriend, but youre not my boyfriend
Candlelight dinners, round trips for two
But youre not my boyfriend, but youre not my boyfriend
You can even roll with another chick Im down for whatever
I aint gonna trip thats cool
So dont be thinking Im in love with you
Cause youre not my boyfriend, cause youre not my boyfriendI dont mean to put it out there like that
But I gotta be true to me and you
Setting these rules are gonna help us understand how we should move
Now now now now now
I dont mean later now now now
Don`t gotta say who when where or how
But Imma do me, oooohI treat you like my only dude
But youre not my boyfriend, but youre not my boyfriend
Candlelight dinners, round trips for two
But youre not my boyfriend, but youre not my boyfriend
You can even roll with another chick Im down for whatever
I aint gonna trip thats cool
So dont be thinking Im in love with you
Cause youre not boyfriend, cause youre not my boyfriendSo when you see me Ill keep it movin
Dont interrupt me when you see me groovin
Ill heat you up let you know Im (?) feelin`
In the mood for some sexual healin`
Yeah you know how we do, make you do what it do
Well get it poppin til the mornin on and on
But until then

This is just a sing say
Dont gotta change a thing, feel what Im sayingI treat you like my only dude
But youre not my boyfriend, but youre not my boyfriend
Candlelight dinners, round trips for two
But youre not my boyfriend, but youre not my boyfriend
You can even roll with another chick Im down for whatever
I aint gonna trip thats cool
So dont be thinking Im in love with you
Cause youre not boyfriend, cause youre not my boyfriendWe got this, oh we got this
We got this no they can`t stop us
We got this, oh we got this
We got this, so i`mma sing sayAll my ladies do them like they do you
Dont be making them play you or fool you
Keep them guessing, keep their head spinning

But youre not my boyfriend, but youre not my boyfriend
Candlelight dinners, round trips for two
But youre not boyfriend, but youre not my boyfriend

So dont be thinking Im in love with you
Cause youre not boyfriend, cause youre not my boyfriendI treat you like my only dude
