You want funky? We got funky!
Who's got funky? We got funky! You said funky
Violent & funky!
Violent & funky (4x)
Sticks and stones may break some bones but a .357
gonna blow your damn head off
You take the pen and I'll take the sword, you can write
some shit till I cut your fuckin' head off
Chorus:
You want funky? We got funky! What kind of funky?
Violent funky!
Violent & funky (4x)
Do unto others as you would do unto yourself
'course for me thats damn easy 'cause I hate myself
A penny saved is a penny earned, but a stolen case of
beer gets you a hell of a lot drunker
Early to bed, early to rise, makes a man healthy wealthy
and boring
It ain't over till the fat lady sings and the big bitch is
choking on a chunk of salami
Chorus
You know it's snapped lika Mutha, you know we're
snappin' lika Mutha
Chorus
You know we're snappin' lika Mutha
