You want funky? We got funky!  
Who's got funky? We got funky! You said funky  
Violent & funky!  
Violent & funky (4x)  
Sticks and stones may break some bones but a .357  
gonna blow your damn head off  
You take the pen and I'll take the sword, you can write  
some shit till I cut your fuckin' head off  
Chorus:  
You want funky? We got funky! What kind of funky?  
Violent funky!  
Violent & funky (4x)  
Do unto others as you would do unto yourself  
'course for me thats damn easy 'cause I hate myself  
A penny saved is a penny earned, but a stolen case of  
beer gets you a hell of a lot drunker  
Early to bed, early to rise, makes a man healthy wealthy  
and boring  
It ain't over till the fat lady sings and the big bitch is  
choking on a chunk of salami  
Chorus  
You know it's snapped lika Mutha, you know we're  
snappin' lika Mutha  
Chorus  
You know we're snappin' lika Mutha
