

I Belong to You (Every Time I See Your Face)

Rome

Every time I see you face it makes me wanna sing,
and every time I think about your love it drives me crazy

Every time I see you face it makes me wanna sing,
and every time I think about your love it drives me crazy

Say my lady, tell me what's wrong with your boyfriend,
aww come on

He holds the key to your heart
but he don't love you baby baby like I do

I only wanna be with you

Girl you are the love of my life baby
I'll give it to you baby, you belong to me and only me

I belong to you, (I belong) I give all my love to you
I give you all my love baby, I give all my love to you

Say my lady, you are so fine
I wake up in the morning to see a smile on your face baby
you are a queen of my heart
I belong to you and you belong to me yay
girl you are the love of my life baby, all those cloudy days they fade away when you come my way baby

I belong to you, (I belong) I give all my love to you
I give you all my love baby, I give all my love to you
girl if you were mine I'd never do you wrong baby cuz I give all my love

I belong to you, (I belong) I give all my love to you
I give you all my love baby, I give all my love to you

listen up here baby
I belong to you say my lady I give all my love to you I belong, I belong, I belong to you baby oh ohoh

Every time I see you face it makes me wanna sing, I belong
and every time I think about your love it drives me crazy
repeat
